RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION

Sir:

The Notice dated January 16, 2008 sets forth that 115 figures are contained in the above-identified application. Applicants have reviewed the Notice and submit that it is defective on its face. Applicants respectfully direct the Office's attention to the drawing in which the Figures start at Figure 1 on sheet 1 and end at Figure 21B on sheet 100 yielding a total of 110 figures. The figures are listed in the Brief Description of the Drawings found in the specification as originally filed at page 5, line 13 to page 7, line 23. Accordingly, there is no Figure 115 in the drawing and therefore there cannot be a description of that non-existent figure. In addition, during the thorough examination of this application by the Examiner, she did not raise any objection regarding a lack of the consistency between the Figures and the Description of the Drawing.

Applicants respectfully request therefore that the Notice of Drawing Inconsistency be withdrawn and the application allowed to proceed to grant.

Respectfully submitted,

RatnerPrestia
